Company Profile

Welcome to the World of Sankalp Packaged Foods:

Sankalp Packaged Foods (SPF), a proud business entity of the Sankalp Group, carries forward the legacy of authentic Indian taste to global tables. Established in 1980, the Sankalp Group stands tall as a distinguished name in the hospitality and food industry, with over 250+ restaurants across India, the USA, Canada, the UK, UAE, Germany, New Zealand, and Australia.

The SPF division is the culmination of years of dedication, research, and culinary innovation. It was created with a singular vision to share authentic Indian recipes with the world in convenient, high-quality formats. Through an exquisite range of Ready-to-Cook (RTC) and Ready-to-Eat (RTE) products, Sankalp has redefined fine dining by seamlessly blending tradition with modern efficiency.

Our comprehensive food solutions cover the entire Indian culinary spectrum, from starters to desserts, crafted to meet the needs of both institutional and retail segments. Each product reflects innovation, consistency, and taste that remains unmatched. For professionals across the HORECA industry, from luxury hotels and restaurant chains to cafes, caterers, and corporate canteens, Sankalp stands as a trusted partner in quality and convenience.

Certified by the FSSAI-Government of India, USFDA, and accredited with ISO 22000:2018, ISO 9001:2015, FSSC 22000 & GMP, Sankalp upholds the highest global benchmarks of food safety and excellence. We are proudly registered with the Spice Board, Coconut Development Board, APEDA, DUNS, TPCI, and ITPO, reaffirming our commitment to authenticity and integrity in every pack we deliver.

At Sankalp Packaged Foods

we don't just create products; we craft experiences that celebrate the true essence of Indian cuisine.

Under the banner of The Sankalp Group, a lineage of iconic restaurant brands thrives, where every meal tells a story, every flavour carries heritage, and every guest feels at home.

Excellence in Infrastructure & Our Achievements

Total Quality Management

Equipped with advanced international food safety and processing technologies, Sankalp upholds the highest standards of quality management. Every stage of the process is carefully monitored to ensure excellence, from the thoughtful selection of raw materials to processing, packaging, and final delivery. Because for our customers, nothing but the finest will do.

Facilities

We operate two modern manufacturing plants designed to support efficient and large-scale food production. The facilities feature advanced preparation, cooking, and packaging systems that enable seamless operations and consistent output. With well-structured production lines and integrated cold storage infrastructure, the plants ensure reliable handling, storage, and distribution, supporting our ability to serve customers and hospitality partners with consistency.

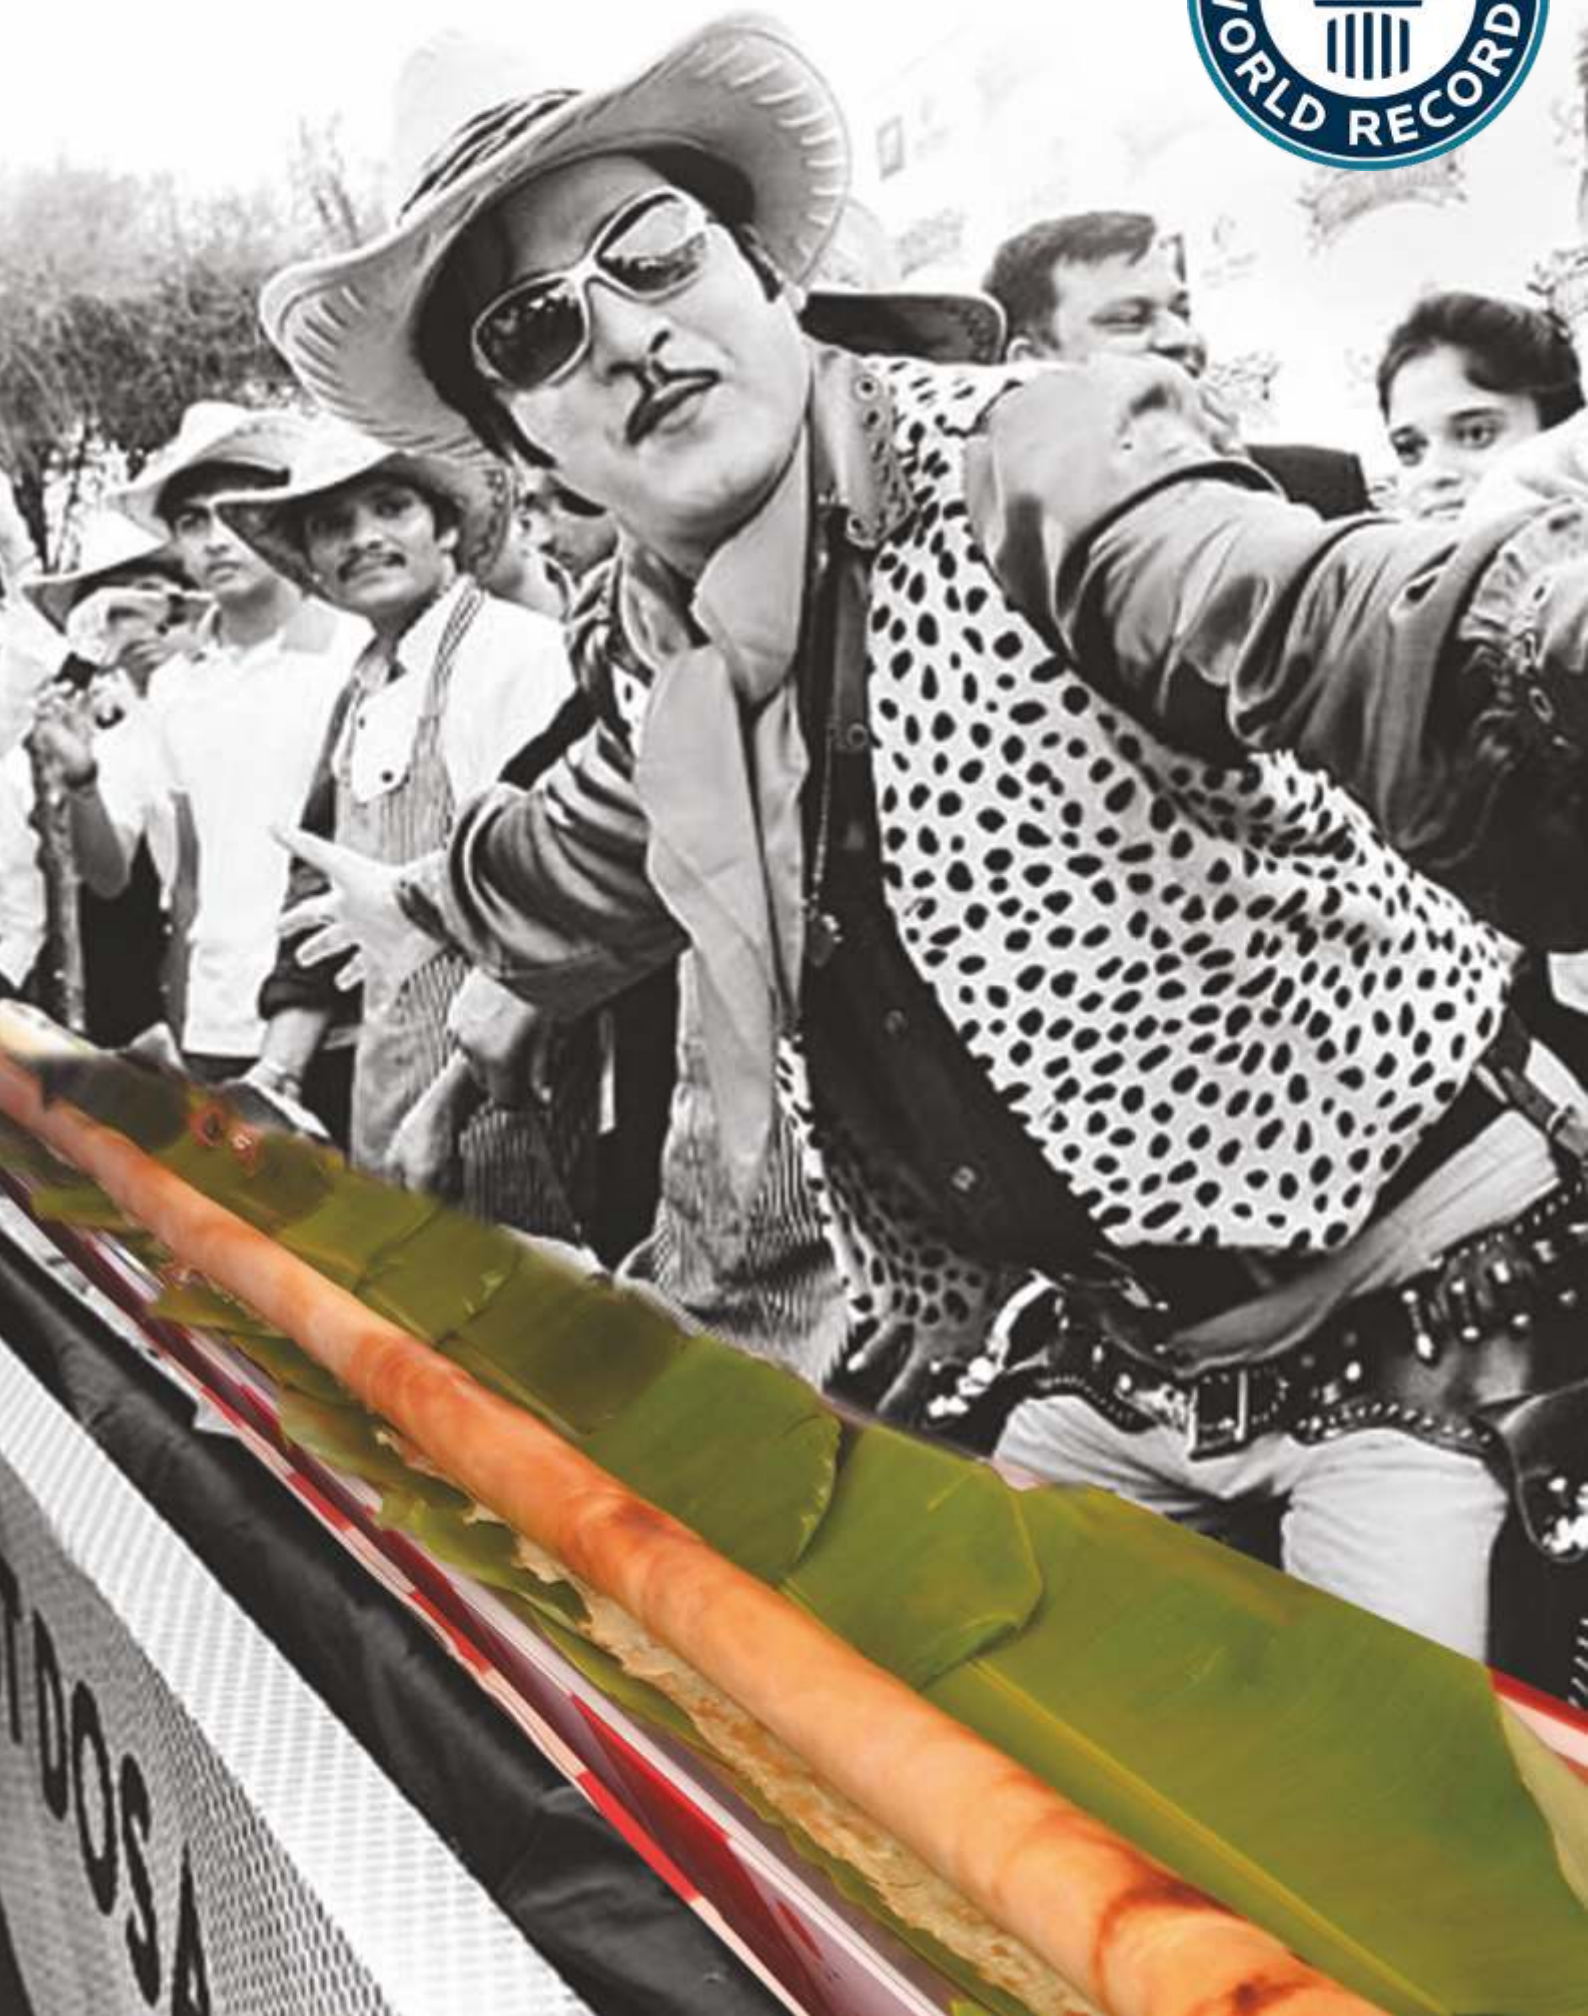

Team

Sankalp is powered by a committed team of professionals who bring together expertise, precision, and passion in every aspect of food production. Our experienced master chefs, food technologists, and microbiologists work in close collaboration to innovate, refine, and develop products that consistently meet international food safety standards while delivering exceptional taste and quality to our diverse customers. Alongside them, our dynamic sales team ensures a strong market presence and efficient on-ground service, enabling us to serve customers and hospitality partners with reliability and care.

Value Added Services

Sankalp brings the richness of authentic Indian cuisine to a wider audience through thoughtfully crafted products and innovative culinary solutions. By understanding evolving market needs and embracing modern processes, we continuously refine our offerings to deliver a distinctive and elevated experience. At Sankalp, quality is quintessential; thus, no compromise is made at any stage, from concept to commissioning.
